ADVANCING SAFETY & COMMUNICATION SOLUTIONS
ACROSS LONG ISLAND AND BEYOND

POWERED BY

Symbrant Technologies
AN EASTERN DATACOMM COMPANY

A New Chapter in Safety and Communication Excellence

Eastern DataComm has proudly acquired Symbrant Technologies, a trusted technology provider serving Long Island since 2002. This strategic partnership expands our ability to deliver powerful safety and communication solutions to schools, municipalities, and businesses throughout the region.
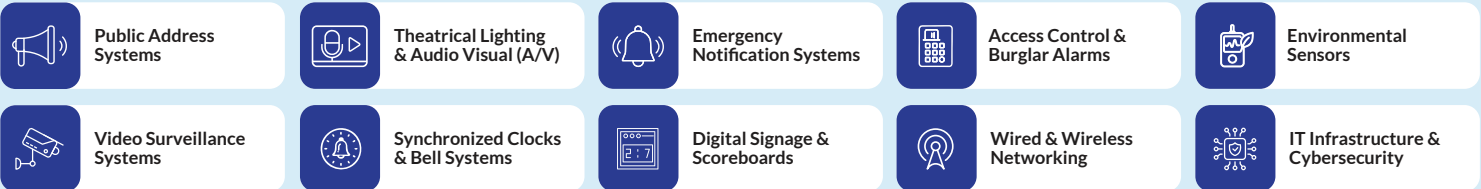

What This Means for You:

You'll continue to receive the same dedicated service from the local experts you know and trust—now backed by the enhanced resources, product offerings, and technical expertise of Eastern DataComm.

Ongoing Support You Can Count On

Our team of expert technicians provide ongoing *support services* and *maintenance packages* that power reliable performance and lasting peace of mind.

Our Integrated Technology Solutions Now Include:

- Public Address Systems
- Theatrical Lighting & Audio Visual (A/V)
- Emergency Notification Systems
- Access Control & Burglar Alarms
- Environmental Sensors
- Video Surveillance Systems
- Synchronized Clocks & Bell Systems
- Digital Signage & Scoreboards
- Wired & Wireless Networking
- IT Infrastructure & Cybersecurity

Who We Serve

We proudly support K–12 school districts, higher education institutions, municipalities, healthcare organizations, airports, and commercial businesses across New York City, Nassau, Orange, Rockland, Suffolk, and Westchester Counties—and beyond.
